THE KITCHEN CABINET DISTRIBUTORS STORY

It's no coincidence that the Kitchen Cabinet Distributors is headquartered in North Carolina, a region steeped in tradition with quality craftsmanship and fine woodworking. With roots going back over a decade, Kitchen Cabinet Distributors was built with the vision of creating beautifully designed cabinets through thoughtful engineering that provide exceptional value to homeowners.

Over the years, Kitchen Cabinet Distributors has evolved to become one of the largest cabinet distribution companies in the United States, delivering products across the entire United States with one of the industry's shortest and most dependable lead-times. To service our valuable customers, our warehouse and assembly space has expanded greatly, quadrupling in size in recent years. Through active management of our inventory, we are committed to getting you the products you need, when you need them.

We also believe that everyone should have the kitchen or bathroom of their dreams. With thousands of different styles, sizes, colors, and accessory combinations, we invite homeowners to dream BIG! We don't believe that working on a budget should limit anyone from having a space that reflects their unique style.

Kitchen Cabinet Distributors sells cabinetry solutions that meet the industry's most stringent requirements. We pride ourselves on meeting or exceeding quality, operation, and durability standards to ensure your cabinets last a lifetime. We are so confident in our products that we offer a warranty to deliver you peace of mind, so you have time to focus on more important things in life, like enjoying your home.

The Kitchen Cabinet Distributors team believes in putting the customer first. Through dedication, honesty, and hard work, we believe that we will succeed by providing solutions that exceed your expectations.
